Principal's Message

Week 10 - hard to believe as the term has flown by so very quickly!

Leadership Changes

From the start of next term we have a few changes in our Leadership team. I have been asked by our Department to take on a 'Subject Matter Expert Role' for the significant ICT projects rolling out over the next few years to all schools in the NT- The Enterprise Management project and the ICT Service Model. I have previously worked in the Department leading such projects and have significant expertise in this field. This will mean Tuesdays and Wednesdays I am off-line from day to day business at Alawa and focussing on supporting these projects with the corporate teams. I will still be fully based at Alawa and committed to my role as Principal. In recognition of the use of my time we have been allocated the funding for an additional Assistant Principal - Mr Jed Henderson will assume this role however will continue teaching in his current class 8hrs a week. Mrs Joanne Baines will then step up into role of Senior Teacher Primary Years. Mrs Barnett, Mrs Thorne and Mrs Henschke as well as Ms Sharon continue in their current roles in the Leadership Team. Ms Kate Scott will be joining us and teaching in the 5/6 rooms.

Week 10 at Alawa

Full programs continue this week right through to the last day of the term. All students will be engaged in core Literacy lessons as usual as well as Maths investigations around the Olympics Theme as we start winding up for the big event in Paris. If any family has other plans which will mean the children at not at school it is important you discuss this with myself or Mrs Barnett ASAP.

PJ Day

What a sea of colour this morning as our SRC hosted our first ever PJ Day - raising funds for Project Flying Fox. Huge thanks to Mrs Barnett and the SRC for coordinating this and to everyone who got involved.

Huge thanks to everyone at Alawa for their continued efforts to sustain a vibrant, dynamic learning community - where we all work together for targeted improvement!

Safe and happy holidays

Assistant Principal's Message

Hi Alawa Families,

Week 10 already! How the time flies when you are having fun!

It has been a fabulous term at Alawa Primary School, and I have been reflecting on all of the wonderful activities, programs and achievements our school community has accomplished. Whilst I could never list them all here, some of my highlights have included:

- Alawa Speech and Occupational Therapy Program
- Preschool Picnic Night
- Mother's Day Movie Night
- Sports Day
- Masterchef
- SO MANY great assembly presentations
- Gala days galore
- Music lunchtime performance by our Monday music students (picture below).

There are so many more things I could mention. As I reflect, it is clear that none of these events or programs could go ahead without our wonderful Alawa Primary School staff, so I would like to say a huge THANK YOU to everyone who has contributed to the learning and experiences of our students this term.

I am very proud of the efforts of our students also, which is shown in the growth that can be seen in their Semester 1 Reports which are going home this week.

As we wind up the term and head toward the three-week break, I would like to wish everyone a safe and happy holiday. See you in Term 3.

Rachel Barnett
[Assistant Principal]

SCHOOL COUNCIL UPDATES

The school council met with the After School Care sub-committee on Monday night, to discuss the ongoing negotiations between the school and the potential service provider.

While there are still some details to finalise with the potential provider and the school, for both short-term and long-term solutions for offering OSHC at Alawa, significant progress has been made.

We appreciate the parents' efforts in identifying and liaising with a potential provider, the teachers and principal working to identify a temporary space, as well as the dedication shown by the school and the sub-committee in working towards a solution for families.

We will continue to keep the school community updated as decisions are made.

PRIMARY NEWS

The happy campers arrived at the Katherine Outback Experience last Wednesday, eager to make the most of their time there. Tom Curtain's show was a hit, as was the homemade pizza dinner. After a few rounds of spotlight, [an Alawa camp favourite], it was time for showers and bed, ready for another big day ahead.

Students came back and were very excited to share some of their highlights from camp. It was really hard to pick just one thing as the whole experience was...AMAZING!!!

River - playing spotlight

Xavier - the Katherine Outback Experience show

Rafael - Cutta Cutta Caves

Shannon - roasting marshmallows around the camp fire

Finlay - the camp food

Aria - EVERYTHING!!!

Masterchef was a big success once again with our Year 4 students showcasing their culinary talents.

The student kitchen was filled with delicious aromas and intense competition.

They definitely did not make it easy for the judges, who were able to pick one team only for the win!!!

It came down to which team's dish had the most bold flavours and creative use of ingredients.

Well done to everyone who participated!!!!!!

PLAYGROUP NEWS

Such a fun morning we had at playgroup on Friday. We started our morning with cup of teas and chats, and playing with our friends and even met some new friends again this week! We drew beautiful pictures on the whiteboard, and bounced the colourful balloon balls. We worked on puzzles and loved making creations with the green playdough too! Then we headed down to the farm to visit our furry, feathered and scaly friends. We had a great time with the chickens, watching them peck around and patting them gently, then we went to say 'hello' to the fluffy bunny and guinea pigs, we peeked in to say 'hey' to Hei Hei the 'dragon', and then we went to give some banana leaf snacks to our goat friends.

It was time to go back to pre-school so we waved goodbye to the farm and with our time we had left couldn't wait to have a big play outside! We went racing on the bikes, sliding and climbing on the playgyms, climbing and hanging upside down on the climbing frames and having the best time with our family and friends! It was a lovely way to end the week.

There will be no playgroup this Friday as we are getting ready for our big mid year holidays so have fun everybody and be safe.

Ms Erin [Playgroup Coordinator]

2024 Woolworths Junior Landcare Grants Program

We're thrilled to announce that we have received a 2024 Woolworths Junior Landcare Grant for our project, to create a 'Yarning Circle' at the Farm.

Recipient of a 2024 Woolworths Junior Landcare Grant

In semester 2, our year 4/5 classes will be learning about the importance of a traditional 'Yarning Circle' to First Nations people. They will then be undertaking the design and redevelopment of their own Farm 'Yarning Circle'. Hopefully we will be creating a space that all students and classes feel comfortable to tell a story, reflect or just be in nature.

Alawa Primary School is one of 1,041 primary schools and early learning centres across Australia to receive a Woolworths Junior Landcare grant to help grow our next generation of environmental champions.

The children and teachers are looking forward to getting their hands dirty and learning from this project – we'll keep you updated!

PRESCHOOL NEWS

Loose parts exploration is an important component of our preschool program. We always have a loose parts area as one of our activities during investigations. Loose parts consist of a variety of materials that can be manipulated and moved around to bring ideas to life or help facilitate imaginative play.

The loose parts featured at preschool depend on the interests and needs of the children at the time. Recently our loose parts table became a collection of natural materials for a 'make your own mini beasts' area.

We provided provocations through photographs and examples. Children helped to collect sticks and different coloured leaves from our yard to use in their play. Some critters looked like familiar insects, and some were purely imaginative. There were wooden frames for children to compose their creations inside. Some magical creatures were created, and children were very proud to show what they had made from the loose parts.
